

The information is freely available but it takes critical thinking to spot a **signal** in the noise.

Corporate media are the gatekeepers of
the existing parasitic financial system.

They are corrupted and manipulative,
feeding you lies.

All to keep you obedient and scared... Until
eventually you become completely tired,
dependent and poor.

Lockdowns
Zero Carbon Life
Universal Basic Income
15 Min Cities
CBDCs

Bitcoin is not just a digital asset. It is the way to your freedom!
But also: knowledge, community, values and truth.
